## About me

British-Dutch actor, singer, mover, in that order. Always working on something, currently a short film and writing a play. I love the excitement of live theatre but equally love the space for subtlety and small details in film. All I care about is authenticity, in real life and in portraying a character. Double passport, so I can pick the shortest queue at the airport, a true luxury nowadays.

Vocal range: soprano, F3-Eb6, (mixed) belt up to E5.
